

Ridgewood-Wilton Neighborhood Association

Hello Neighbors!

Your Neighborhood Association is about to emerge from its pandemic-induced hibernation and resume its more traditional role in the maintenance and preservation of our community.

We will have our first Board meeting Tuesday evening February 16th at 7:30 via Zoom. As always, all members of the Association are invited and will have an opportunity to comment, contribute ideas and bring up concerns. Please join us.

Meeting ID: 879 1612 7646

Passcode: 0Szc2r

The proposed agenda is attached. Other documents mentioned, the minutes of the previous meeting and the 2019 and 2020 summary Treasurer's Reports, are posted in the documents section of the web site, www.ridgewoodwilton.com

The Board has suffered considerable attrition as some have moved away or resigned for health or other reasons. We seek new members including a Secretary and several members at-large and hope to have a member from each block of our Association. Members-at-large often are particularly interested in a specific issue and may direct a committee that works with the Board, City agencies, the Council District and the community to find a solution. Issues that some to mind are improving security, traffic, street lighting, among others. Members agree to help with the operation of the Association, attend the meetings and be a resource for their neighbors. Please step forward!

Stay Safe and Healthy. See you at the meeting.

Bob Reeves,
President

Ridgewood-Wilton Neighborhood Association
