

Ridgewood-Wilton Neighborhood Association

Brief Letter From The President

Hello Neighbors!

Two quick things:

1. Monday at 6:00 p.m., our new Councilperson, Nithya Raman, is participating in a Town Hall sponsored by the Hancock Park Association. She represents a district with multiple areas of single family homes so it will be interesting to see how she manages her campaign themes and the interests of her constituents. She has received a list of very tough and focused questions in advance. Register at:

VISITS. I continue to make the house visits I have mentioned before. So far I've gotten to most of Wilton Dr, to much of the 100 block of South Wilton Pl, and to the 100 block of North Wilton Pl, but the west side only. So if you see someone on your porch, Covid beard poking out around a mask, soccer ball clipboard in hand, it's me. And I look forward to talking with you. If I missed you on the first pass, I'll try again.

Thanks,

Bob Reeves, President
